- **Emergency - Call 911**

- Gull Lake Recreation Area is situated on the Gull River at the outlet of Minnesota’s famous Gull Lake Chain of Lakes. The recreation area offers camping, boating, swimming, picnicking, fishing, an interpretive hiking trail, playgrounds and waterborne facilities. The recreation area is located minutes from golfing, shopping, several multi-use trails and amusement parks.

- Our campground includes wooded sites, picnic tables, fire rings and the chance to relax with the sounds of nature. Fish for walleye, bass, muskie and a variety of pan fish on 10 connecting lakes. Our boat ramp and beach are located on Gull Lake.

- Outside the campground, our recreation areas are situated on Gull Lake Dam and Reservoir. The dam raised the lake level approximately 3 feet. The dam was constructed to control the runoff from 287 square miles of drainage area and the 10 lakes of the Gull Lake Chain. The dam raised the lake level approximately 3 feet. The area has a unique history and was inhabited multiple times by different groups dating back to before 800 B.C.

- To help all visitors enjoy the serenity of the northwoods, quiet hours are 10 p.m. to 6 a.m. Please respect the privileges and privacy of others at all times.

- For your safety, life jackets are available for use. See park ranger for details.

- A dump station is available for emptying holding tanks.

- Please utilize the garbage dumpsters and separate recycling receptacles located by the dump station.
