

Fond du Lac Resource Management

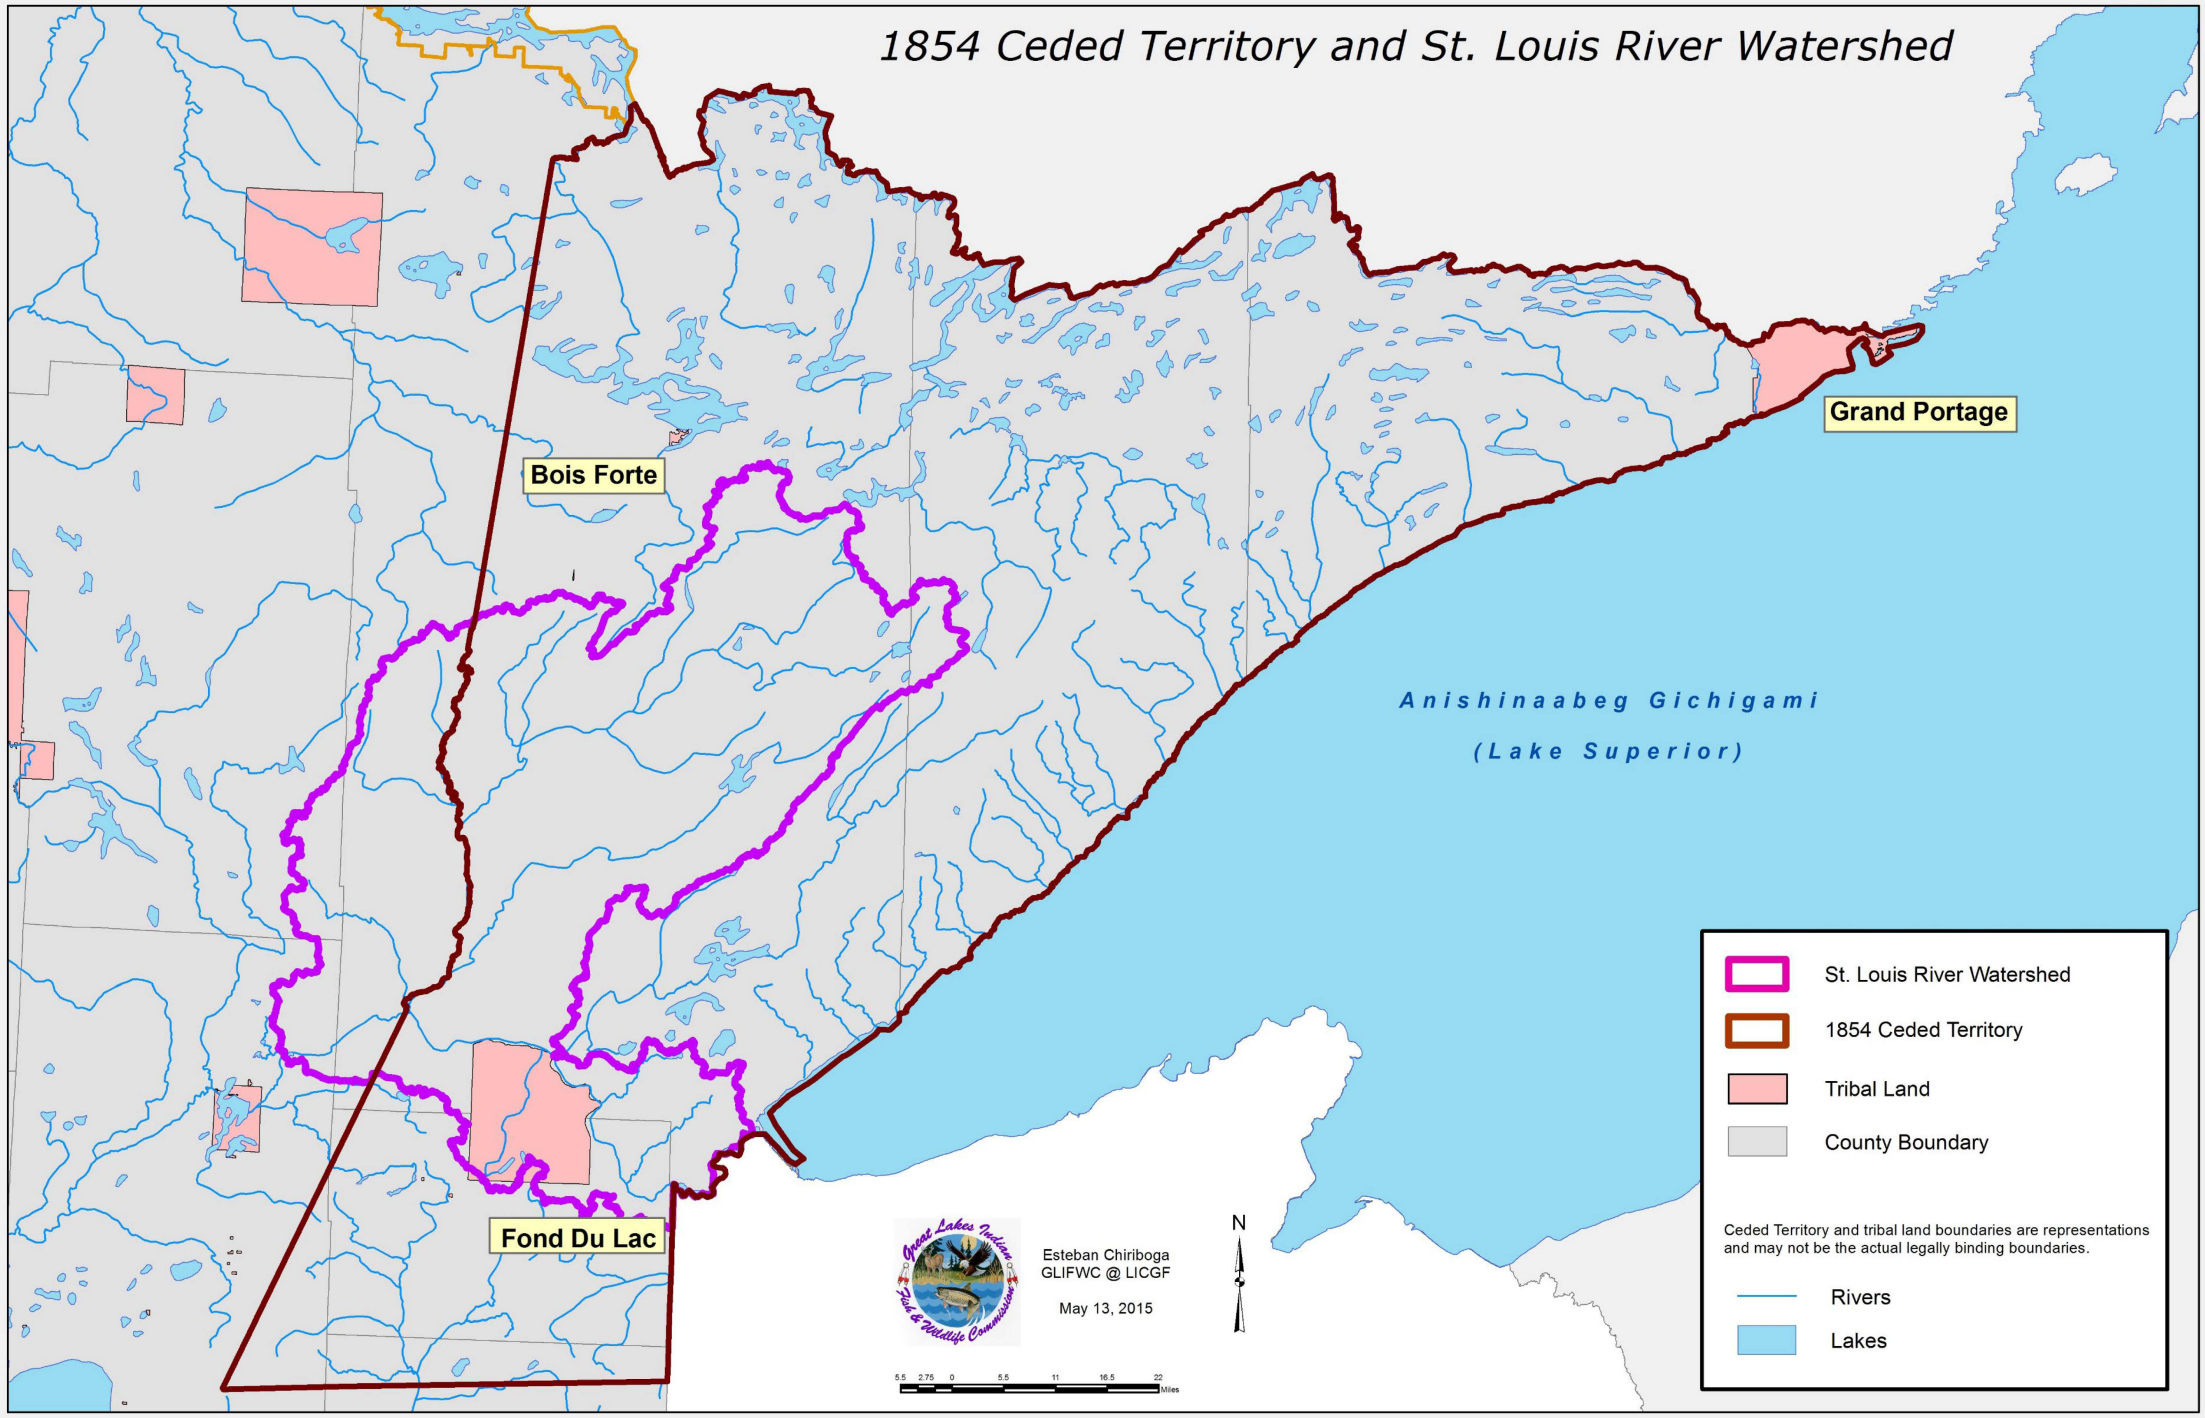

Resource Management
Vision Statement

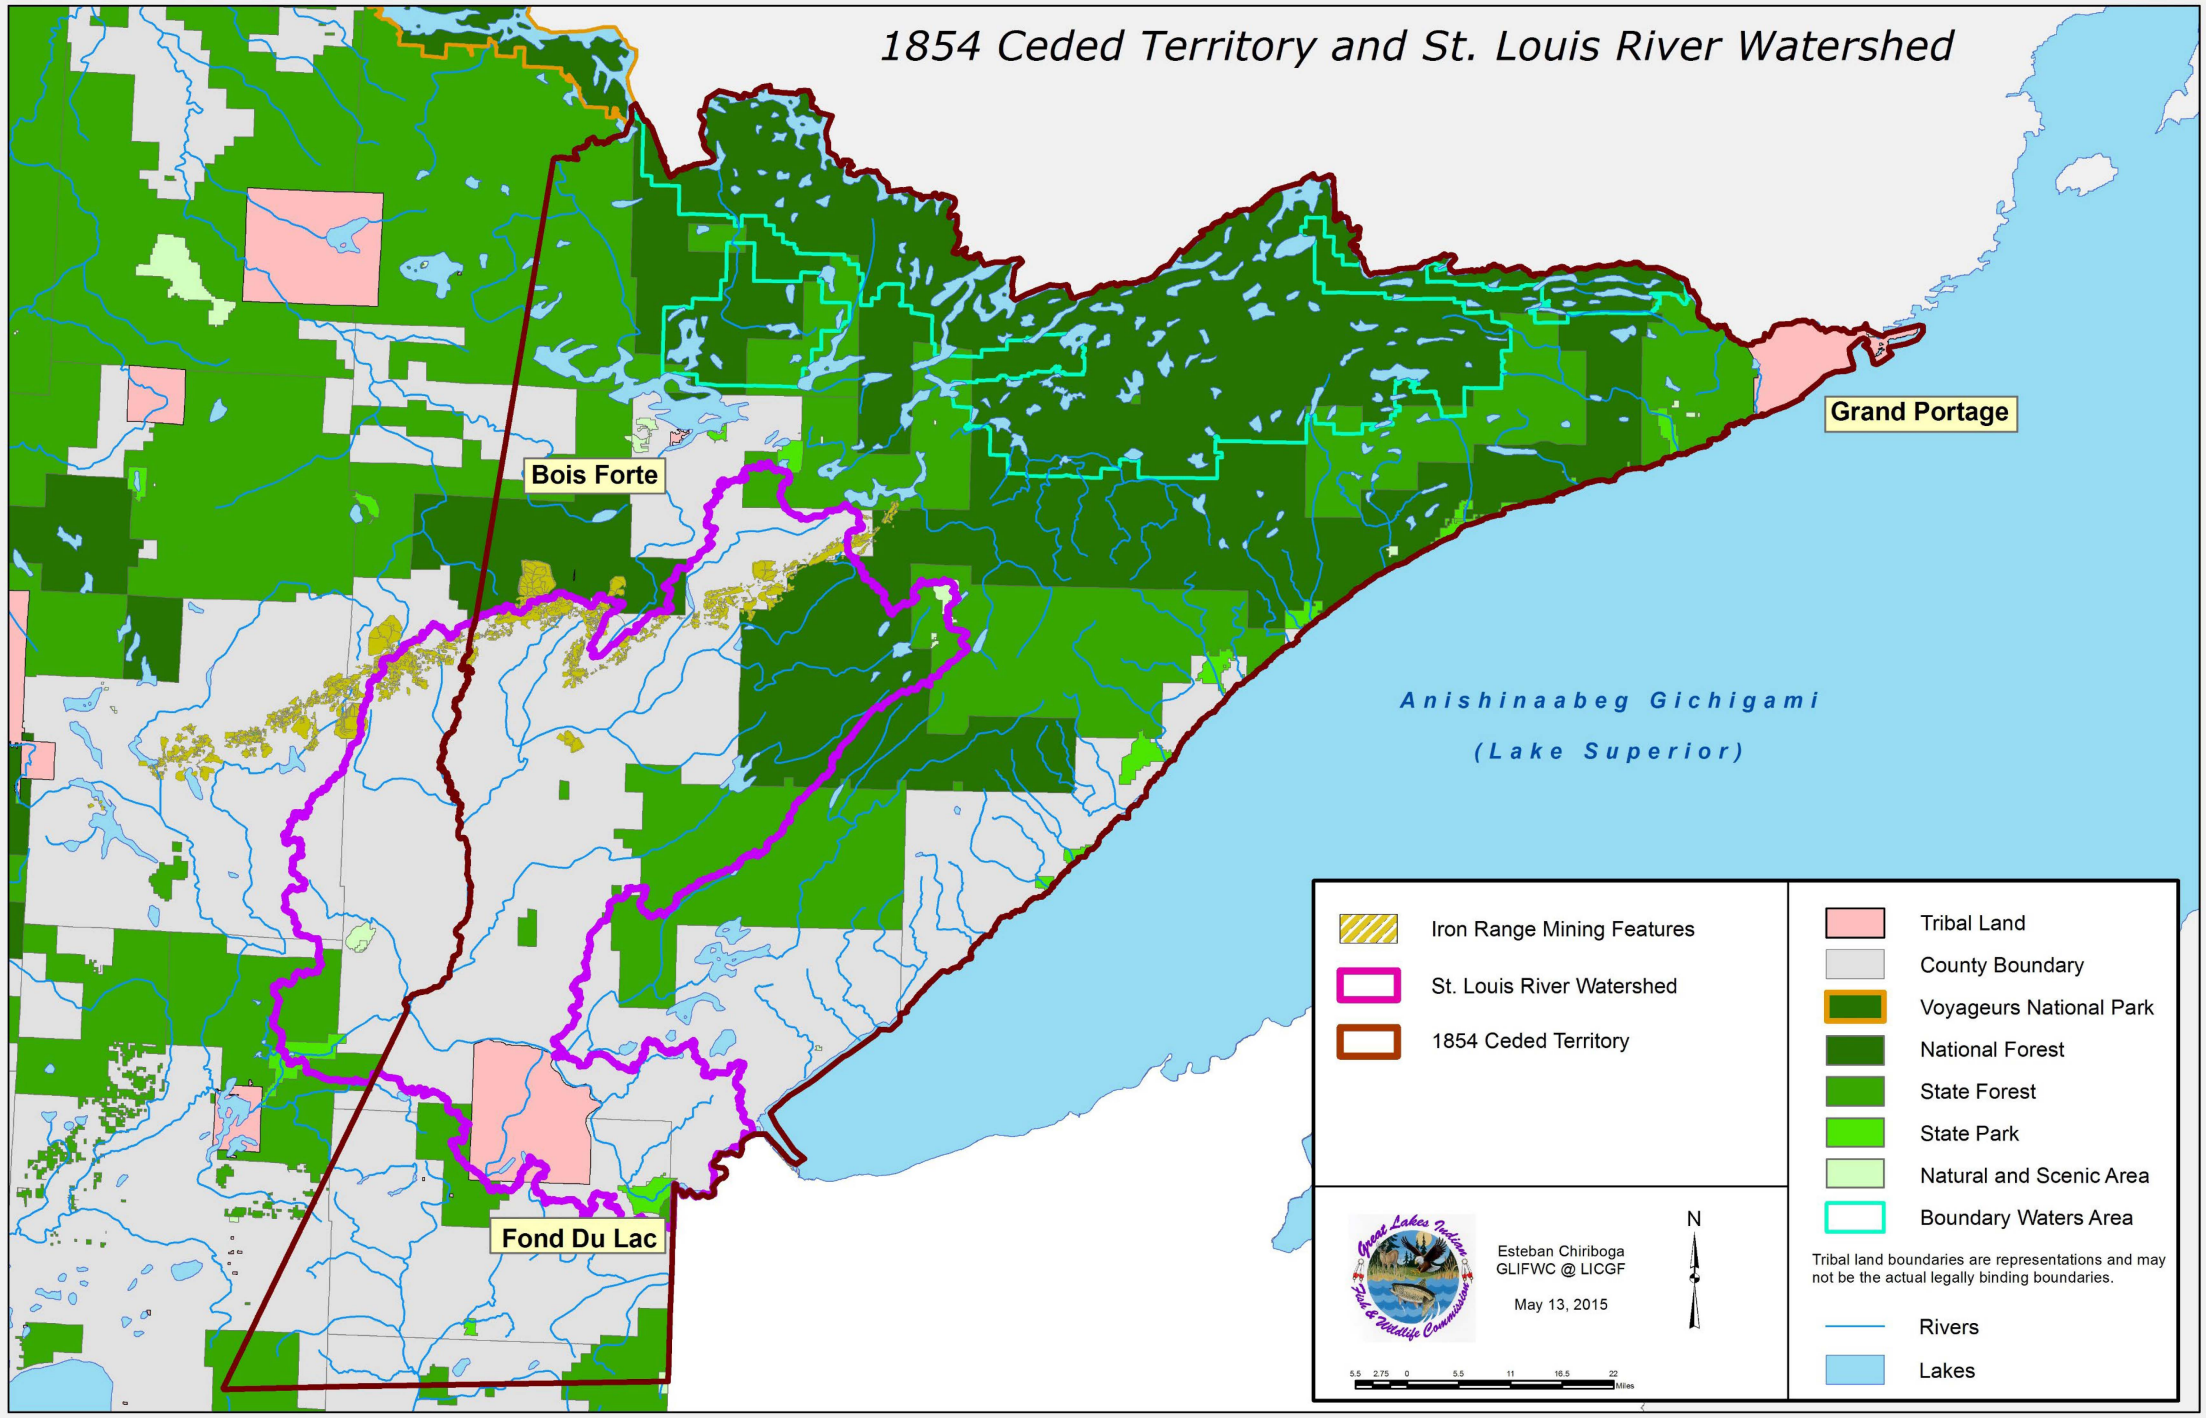

The Fond du Lac Resource Management Division is committed to the management, conservation, and sustainability of the natural resources of the Fond du Lac Band in order to protect the environment on the Fond du Lac Reservation and within its treaty areas. The Resource Management Division will use the tools of research, education, and outreach with Band Members, partners, and stakeholders to accomplish these goals.

Fond du Lac Band of Lake Superior Chippewa

Conservation Enforcement - Cultural Resources
Environmental - Fisheries - Forestry
Natural Resources - Wildlife
