

US Army Corps
of Engineers
St Paul District

Regulatory Program Special Public Notice

October 13, 2020

The purpose of this Special Public Notice is to inform the general public that the U.S. Army Corps of Engineers St. Paul District Regulatory Division (St. Paul District) is modernizing our public notice notification/distribution procedures.

Beginning immediately, we are transitioning from a public notice email notification system to a RSS Feed system. If you wish to receive St. Paul District public notice notifications please visit our website at <https://www.mvp.usace.army.mil/Missions/Regulatory/Public-Notices/> for instructions on how to subscribe to individual RSS Feed categories. Click "[See Information On RSS Notifications for Public Notices](#)" towards the top of the page.

Individuals previously registered to receive public notice notifications via email will continue to receive email notifications through December 31, 2020. However, if you wish to continue receiving public notice notifications, after December 31, 2020, you must register for RSS Feeds notifications.

If you have questions email mvp-reg-inquiry@usace.army.mil.

More information on the Regulatory program can be found at <https://www.mvp.usace.army.mil/Missions/Regulatory>.
